BRIEF ABSTRACT OF LETTER

NOTES AND ORDERS.

The first sentence of Rule 5 of the Rules applied by Govt. for the management of the pathasalas runs thus :- "The management of the institution shall vest in a Committee consisting of nine members of whom five shall belong to the Kaivarta community, and the majority shall belong to the Namasudra community."

2) The managing committee have

proposed modification of this Rule so as to read "The management of the institution shall vest in a committee consisting of not more than nine members and not less than five members who shall all be Brahmins, of whom one share belong to the Kalvick Krishna Moorthy Rao's family and the majority shall belong to the Smartha community". The words underlined are the modifications proposed on the ground that it would be very difficult to get nine competent members to form the committee and some elasticity is necessary to be allowed in the strength of the committee.

The recommendation of the H.C is submitted for orders.

Order No. 56/Mus 59-36-4 Dated, Bangalore, 2nd July 1937.

Rule 5 of the Rules for the management of the Parnick's Vaidika Pathasala at Bangalore lays down that the management of the institution shall vest in a Committee consisting of 9 members, while the existing Committee constituted in the Government Order dated 22nd October 1936 read above consists of only 7 members, one of whom is reported to have since passed away. The Managing Committee have passed a resolution that it becomes difficult sometimes to secure as many as nine members competent and willing to serve on the Committee and have requested that the rule may be so modified as to mean that the Committee shall consist of not more than nine and not less than five members. As it is desirable to have some elasticity in the strength of the Committee, the Deputy Commissioner, Bangalore District has requested that the words 'not more than nine members and not less than five' may be substituted in lieu of the word 'nine' in the said rule. The Committee have proposed further that all the members of the Managing Committee shall be Brahmins. As the Institution is meant only for students of the Brahmin Community, the Deputy Commissioner recommends that the words 'who shall all be Brahmins' may be inserted after the word 'members' in the same rule. In the circumstances Government are pleased to approve of the above modification
